# Safeguarding at Mount Pellon

Welcome to our half termly newsletter.  Each half-term, our newsletter will share information about how, together, we can keep children safe.  This newsletter will focus on safeguarding systems at Mount Pellon.

Here are our DSLs (Designated Safeguarding Leads).

| Mrs. Collyer | Mr. Walton | Mrs. Morrison | Mrs. Bottomley | Mrs. Khan |

Their job to listen carefully to the children about any worries they have.  This may include worries about friendships, other children, adults, incidents within school or incidents out of school.  DSLs are responsible for listening carefully and working with the children and their parents to help resolve issues.

This is Mrs. Hildred.  She is our Site Manager.

Her job is to ensure that the site is safe and secure.  Every morning, she checks inside and

outside of the buildings for anything that may be a risk to the children. She is responsible for fixing and removing anything dangerous. Mrs. Hildred, also locks the gates after all of the children have arrived so our site is safe and secure whilst the children are in school.

In order to keep your children safe, we would ask that you help us by ensuring that we have your correct contact details. Should an emergency occur, it is important that we can contact you straight away.

We have a number of policies in place which are all about keeping children safe in school. These include:
- Anti-bullying Policy
- Attendance Policy
- Behaviour Policy
- E-Safety Policy
- First Aid Policy
- Health and Safety Policy
- Intimate Care Policy
- *Medicines* Policy
- Positive Handling Policy
- PSHEE Poilcy

If you would like a copy of any of our policies, they are available to download from the website or please ask a member of our admin staff and they will provide you with a copy.

If you have any concerns about the welfare or safety of your child, please contact the office to make an appointment with one of our DSLs. We would be happy to listen and will work with you to support your child.
